Road to Grandma's: Counting On Game

A board game for 2-4 players

Goal: Be the first car to drive all the way to Grandma's house!

You need: the game board, one die (1-6), a small toy or button for each player, and the Count On cards (cut apart).

1. Put all cars on **START**. Shuffle the Count On cards and stack them face down.
2. Roll the die. **Count on** from the space you are on. If you are on 7 and roll 3, say "**7... 8, 9, 10!**" and move to 10.
3. Land on a **star** space? Draw a Count On card. Put the big number "in your head," then count on the dots. Say the answer to move 1 space ahead!
4. The first player to reach **Grandma's house** wins. You do not need an exact roll.

Example

Counting on means starting at a number you already know instead of starting at 1. It is the first big step toward adding. Model it with your child: tap your head for the start number, then tap one finger for each dot.

Safari Challenge

Play again with **two dice**! Find the bigger number, then count on the smaller one.
